# Amy Porter

Short Biography

Flutist Amy Porter is known worldwide for her rich tone, expressive depth and commanding technique, and she is in demand as a soloist, chamber musician, author and innovator. She has also become one of the most creative muses for today's composers, and new works keep being written for her. On April 13, 2027, she gives the premiere of John Mackey's Flute Concerto with the University of Michigan Symphony Band.
